

a

Github Repo URL

The screenshot shows a web browser with multiple tabs open, including iClass, [110-1] 靜態網頁, Document, Google 翻譯, 31461057/1101, Omnifood, and another Document. The address bar shows the URL github.com/31461057/1101-1N-Sweb-210410170. The GitHub interface displays the repository name **31461057 / 1101-1N-Sweb-210410170** as private. It shows 2 unwatchers, 0 forks, and 0 stars. The repository has 1 branch (main) and 0 tags. The file list includes `1_active` (1 minute ago), `3_classdemo` (3 days ago), `4_mid-project` (3 days ago), `5_final-project` (3 days ago), and `index.html` (1 minute ago). A commit `39aeabf` was made 1 minute ago with 41 commits in total. A prompt encourages adding a README. The right sidebar shows the deployment link 1101-1-n-sweb-210410170.vercel.app, 0 stars, 2 watchers, and 0 forks. It also shows sections for Releases (no releases published), Packages (no packages published), and Environments (1 environment: Production, Pending). The Windows taskbar at the bottom shows the search bar, task view, and various application icons, with the system clock indicating 11:41 AM on 2022/11/2.
